Steve Leigh: Hoff & Leigh Valued Agent

Dear Steve:

I am writing to express my gratitude for the fantastic service I received from Steve Leigh & the Hoff & Leigh Team in representing SmartMountain Technologies in our first office lease.

I appreciate the extra time Steve took to share his local market expertise and helping us navigate the subtleties of the commercial real estate leasing process. His personal attention in understanding our company's space needs was invaluable. I appreciate Steve's perseverance in showing several properties and ultimately locating our ideal space.

I couldn't be happier with the service and expertise I received from Steve and Hoff & Leigh, and look forward to working with you soon.

Sincerely,

*Brian L. Fox
