

Akron Multifamily/Senior Living Site for Sale

464 S CANTON RD, AKRON, OHIO 44312

Overview

Site Overview: Ellet Development Opportunity:

This site is well-positioned for a new high-rise multifamily or senior living development. Proven Senior Housing Demand: Two 9-story senior apartment buildings sit directly to the south, both reporting very high occupancy and strong tenant stability — clear evidence that senior housing demand in this immediate area is durable and well-supported.

Location, Location, Location:

Situated in the heart of Ellet's commercial district, the site benefits from established foot traffic and visibility, reducing lease-up risk.
